

RoHS Compliance

Statement

Alchemie Ltd is committed to minimising the environmental impact of our activities and to complying with all relevant environmental regulations and guidelines.

As a result of our dedicated efforts, Alchemie Ltd is pleased to confirm that all products from our electrical range comply with the European Parliament and Council Directive on the Restrictions of the use of certain Hazardous Substances in electrical and electronic equipment (2002/95/EC) ("the RoHS Directive").

For further information on individual Alchemie products please refer to the product technical data sheet or contact Alchemie's Technical Department.

Further Information

Our technical advice, whether verbal, or in writing is given in good faith, but without warranty – this also applies where proprietary rights of third parties are involved. It does not release you from the obligation to test the products supplied by us as to their suitability for the intended process and use.

Please contact our Technical Department for any further advice on the use of Alchemie products.

Before using Alchemie products, users should familiarize themselves with the relevant MSDS provided by Alchemie Ltd.
